SCHOLARSHIP TYPE: (Please apply under ONLY ONE of the two following categories.)

CATEGORY 1: SCHOLARSHIP BY NEED

Families experiencing difficulties in sending their child to camp can apply for a scholarship to help their children attend a program at Circle Square Ranch. Please check ALL that apply:

- Our family needs financial assistance to be able to pay for camp fees. **Please verify total household income by attaching income statement(s) from your most recent tax return(s).*
- As a new-comer to Canada (immigrated to Canada in the last 5 years), our family *has never experienced a summer camp program* and would like the opportunity to send our children to a summer camp. This is a one-time opportunity for eligible families.
- Due to social circumstances in our family, we need some assistance to help our child(ren) participate in a camp program this summer. These circumstances may include, but are not limited to: divorce, family separation, death or illness in the family, a traumatic event, or problems surrounding addictions or violence.

CATEGORY 2: SCHOLARSHIP BY MERIT

A third party individual such as a teacher, social worker, clergy member, or Circle Square Ranch staff may recommend a child to be given a scholarship on the basis of merit. **Parents MAY NOT recommend their own children for a scholarship of merit.*

Please choose a program you would recommend the previously named child(ren) to be accepted into:

- LIT (Leader In Training) program - two week program for 15 and 16 year olds focusing on leadership development and discipleship
- Teen Specialty Camps – Wrangler In Training, FUEL or In-Tents camp for ages 13 and up
- Wagon Camp - 5 and 6 day residential camps for children 8-15
- Junior Camp - 5 day residential camps for 6-9 year olds

See our website for more camp program details at www.csranchwolfcreek.ca.

Eligibility

HOW IT WORKS: Starting in 2018, we are implementing a new structure to our Scholarship Program to allow as many children to benefit as possible from our limited funds. Scholarship Applicants **will not be reviewed until June 1st**. Our office will let you know that your application has been received via email. Please do not contact the office before June 1st regarding the status of your scholarship applicant. All applicants must be in by June 1st to receive priority registration. On June 1st we will review ALL scholarship applications and will prioritize them on a *first time camper basis*. **Those who are approved will be notified and will then need to submit a camp application either by mail, or online along with any payment deposits being contributed in order to be fully registered.** The camp registrar will assist in this process and will try to get applicants into their week of choice, as availability allows. (See the following for fees required for each additional year you apply for scholarship.) Should camps fill before scholarship recipients are registered, 100% of deposits contributed will be refunded. Scholarship recipients may be asked to write a short thank you note to the donors who support the scholarship fund. Please also consider that the more you may be able to contribute to your personal camp fees, the more children we can get to camp with the funding. All applications sent in after June 1st will be reviewed at the discretion of the funding still available, if any.

Please note the following for eligibility regarding the scholarship program:

- **1st Time Camper:** First time campers are our first priority as we try to allow every child to experience camp at least one time. A minimum of \$75 deposit per camper is required.
- **2nd Time Camper:** A minimum of \$150 deposit per camper is required.
- **3rd Time Camper:** A minimum of 50% of camp fees deposit is required.
- **4th Time Camper:** All campers who have attended camp on scholarship three or more years in total will be required to contribute at least 50% of their camp fees and will be selected after 1st-3rd time campers have been registered.

Please note that we DO NOT accept cheques as payment for scholarship program fees. We do accept Cash, Debit or Visa/Mastercard

SCHOLARSHIP APPLICATION GUIDELINES

We believe that every child should have an opportunity to experience the joy of camp, to witness God's majestic creation, to gain outdoor living and feel the thrill of a horse loping across the arena. Because of this belief, Circle Square Ranch Children's Fund was established.

It is our desire to help you find a way for your child to attend camp. The funds for this program are provided through the generosity of caring individuals who have given of their limited resources toward helping children whose families are unable to afford the full fee to experience a week at the Ranch. As a registered not-for-profit organization, we are accountable to Revenue Canada for correct management of these funds.

Each year, many children and teens attend Circle Square Ranch on a partial sponsorship. In order to make Christian Camping available to as many children as possible, we have established the following policies to provide partial assistance from our Sponsorship Fund. To consider and process your request, the following requirements are mandatory:

1. Complete, in full, a current dated camp application form for your child(ren). Please mark down more than one choice of week. (Final choice of week is at the discretion of the director)
2. Complete in full the Scholarship Application form on the opposite page.
3. Include a proof of family income. (i.e. - a copy of your income tax return, social assistance cheque or any other proof of income)
4. Enclose your partial payment to cover your child's camp fees in the form of a money order. Please contribute as much as you can possibly afford above the minimum as funds are limited and our goal is to assist as many children as possible. We ask for a minimum contribution of \$75 from first time applicants and \$150+ for returning.

5. Scholarship is available to those applying for a third or more time only after those applying for the first time have been accommodated. This way every child will have an opportunity to attend the Ranch at least once.

6. When we have received all of the required information we will hold your partial payment and scholarship application until June 1st. At this time, all decisions regarding scholarship will be made and applications will be processed as per normal procedures, determining on availability of funds, availability of weeks of camp, and compliance to all scholarship guidelines by the applicant. The Circle Square Ranch registrar will be unable to inform you as to whether your child has been accepted to the camp of their choice until this time.

7. All decisions related to scholarship are at the discretion of the Ranch Director. It is our desire to use the limited resources at our disposal to help the maximum number of children. We would ask that you explore all available options for camp fees before you apply to the Circle Square Ranch Children's Fund.

Upon acceptance you will be sent a confirmation of registration along with a map and a list of things to bring. You may call the Ranch at any time, following June 1st, to inquire as to the status of your application. Should funds not become available we will reimburse your entire partial payment.

In order to be considered for scholarship, we will require all of the following:

- Completed Ranch Application Form*
- Completed Scholarship Application Form*
- Proof of Income (see #3 for details)*
- Partial Payment (see #4 for details)*
